Key Indicator-5.4 Alumni Engagement (10)

5.4.1 QIM	<p><i>There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services</i></p> <p>Raath Mahavidyalaya was established in year 2003. After a long period, in 2019, the Alumni Association was formed in our college. Although this Alumni Association is not registered yet, but it is fully active and is continuously cooperating with our college. In 2019, its first annual conference was held in the month of July. No conference was held in 2020 and 2021 due to the Corona pandemic. Again, its second annual conference was held in the last week of May 2022 and third was in May 2023.</p> <p>The main objective of the formation of the Alumni Association is to maintain a continuous relation of the college with its alumni and to help them in their progress and development and to benefit the college from their experience, suggestions and cooperation. There is continuous conversation and exchange of views and thoughts by the professors of the college with the members of the Alumni Association.</p> <p>It is an auspicious coincidence that the college has conducted two Teacher Education Courses and the Alumni Association has the largest number of teachers. In such a situation, the teaching experience of all the former students of our college, who are serving the society as a teacher, is very useful to make the ongoing Teacher Education Courses effective in the college. When they bring forward the needs of the present and future students to us in logical and planned manner, it helps us to improve, modify and change our Teacher Education Programs according to those needs and prepare qualified, efficient and skilled teachers to meet future needs. According to the suggestions given by the alumni from time to time, the college tries its best to enhance, modify and upgrade itself.</p> <p>As far as the contribution of alumni to the development of the college through financial support is concerned, so far, no financial support is being provided to the college by the alumni, but the college is heartily grateful for their intellectual and ideological support.</p>
